Dhaka, Bangladesh | +880 1702-034114 | dmsahabuddin48@gmail.com
[linkedin.com/in/dmsahabuddin2](https://www.linkedin.com/in/dmsahabuddin2)

PROFESSIONAL SUMMARY

Results-driven Sales & E-commerce Operations leader with 5+ years of experience in sales management, call center operations, customer support, and business operations. Currently serving as Head of Growth & Sales Operations at Trust Cart, leading a 10-member team across multiple e-commerce brands and managing 500–800 daily orders with a consistent 400+ confirmed orders per day. Skilled in courier and logistics coordination (Pathao, Steadfast, RedX), customer relationship management, and operational reporting via Excel and Google Sheets. Currently expanding into web development (HTML, CSS, JavaScript, React.js) to support digital growth initiatives. Seeking a Head of Sales, Sales Team Lead, or E-commerce Operations Executive role to drive measurable growth in a dynamic organization.

CORE SKILLS

- Sales Team Leadership & Management
- Order Processing & Confirmation
- Customer Support & Complaint Resolution
- Business Reporting (Excel & Google Sheets)
- Client Communication & CRM
- E-commerce Operations Management
- Courier & Logistics Coordination
- Call Center Operations
- Cross-Department Coordination
- Sales Growth & Conversion Optimization

PROFESSIONAL EXPERIENCE

Head of Growth & Sales Operations

Trust Cart | Dhaka, Bangladesh May 2024 – Present

Brands managed: Kasri Oil, Allergy Cure BD, Natural Glow RA BD, and the full Trust Cart product portfolio

- Lead and manage a cross-functional team of 10 sales and customer support executives, setting daily performance targets and driving order conversion goals.
- Oversee end-to-end e-commerce operations across 4 brands, managing a daily order volume of 500–800 orders.
- Achieve a consistent daily average of 400+ confirmed orders through proactive customer outreach, follow-up calls, and order verification.
- Coordinate courier and last-mile delivery operations through Pathao, Steadfast, and RedX, ensuring on-time dispatch and reduced delivery failures.
- Monitor and analyze daily sales and operational performance, preparing detailed reports using MS Excel and Google Sheets for management review.
- Manage customer complaints and after-sales support, improving resolution turnaround and overall customer satisfaction.
- Coordinate operations across sales, support, and logistics departments to streamline workflow and reduce order processing time.
- Drive process improvements that contributed to higher conversion rates, repeat customer engagement, and operational efficiency.

Marketing & Call Center Executive

Action Group | Dhaka, Bangladesh 2019 – 2024

- Served as Office Manager for Apollo Mart's online operations for 2 years, overseeing daily administration, order coordination, and customer service.
- Managed online marketing and showroom operations for Rodela Crafts for 1 year, supporting product visibility and sales conversion.
- Operated as call center executive for Noyadeal.com (Noya Ponno) for 9 months, handling customer inquiries, order confirmations, and follow-ups.

- Operated as E-commerce call center executive for Kasri Oil and Allergy Cure BD (kasrioil.com) for 9 months, managing customer communication and order processing.
- Built a strong foundation in client communication, product knowledge, and call center best practices across 5 years in marketing and operations roles.

KEY ACHIEVEMENTS

- Lead a 10-member sales and customer support team in a fast-paced, multi-brand e-commerce environment.
- Manage and process 500–800 customer orders daily across 4 active brands.
- Maintain a strong daily order confirmation rate of 400+ confirmed orders through effective customer follow-up.
- Streamlined courier coordination across 3 major delivery partners (Pathao, Steadfast, RedX), improving delivery reliability.
- Progressed from frontline call center executive to Head of Growth & Sales Operations within 5 years, demonstrating consistent career growth and leadership capability.
- Contributed to business growth through improved sales leadership, operational reporting, and customer retention strategies.

PROFESSIONAL DEVELOPMENT

Web Development (Ongoing)

- Currently developing skills in HTML, CSS, JavaScript, and React.js to support digital operations and e-commerce platform management.
